PIROCAS BAR PIROCAS BAR PIROCAS BAR PIROCAS BAR

A technical diagram of a Pirocas Bar component, which is a trapezoidal shape with a hexagonal-like profile. The top edge is labeled 7CM, the left height is 6CM, and the bottom width is 10CM. The top edge features a purple band with the text 'PIROCAS BAR' repeated four times. The interior of the component is divided into four sections by two vertical dashed lines and two diagonal dashed lines. The sections are outlined with solid gray lines, and the central area is white. The overall shape is symmetrical and appears to be a cross-section of a mechanical part.
