BRIDE
TO Be

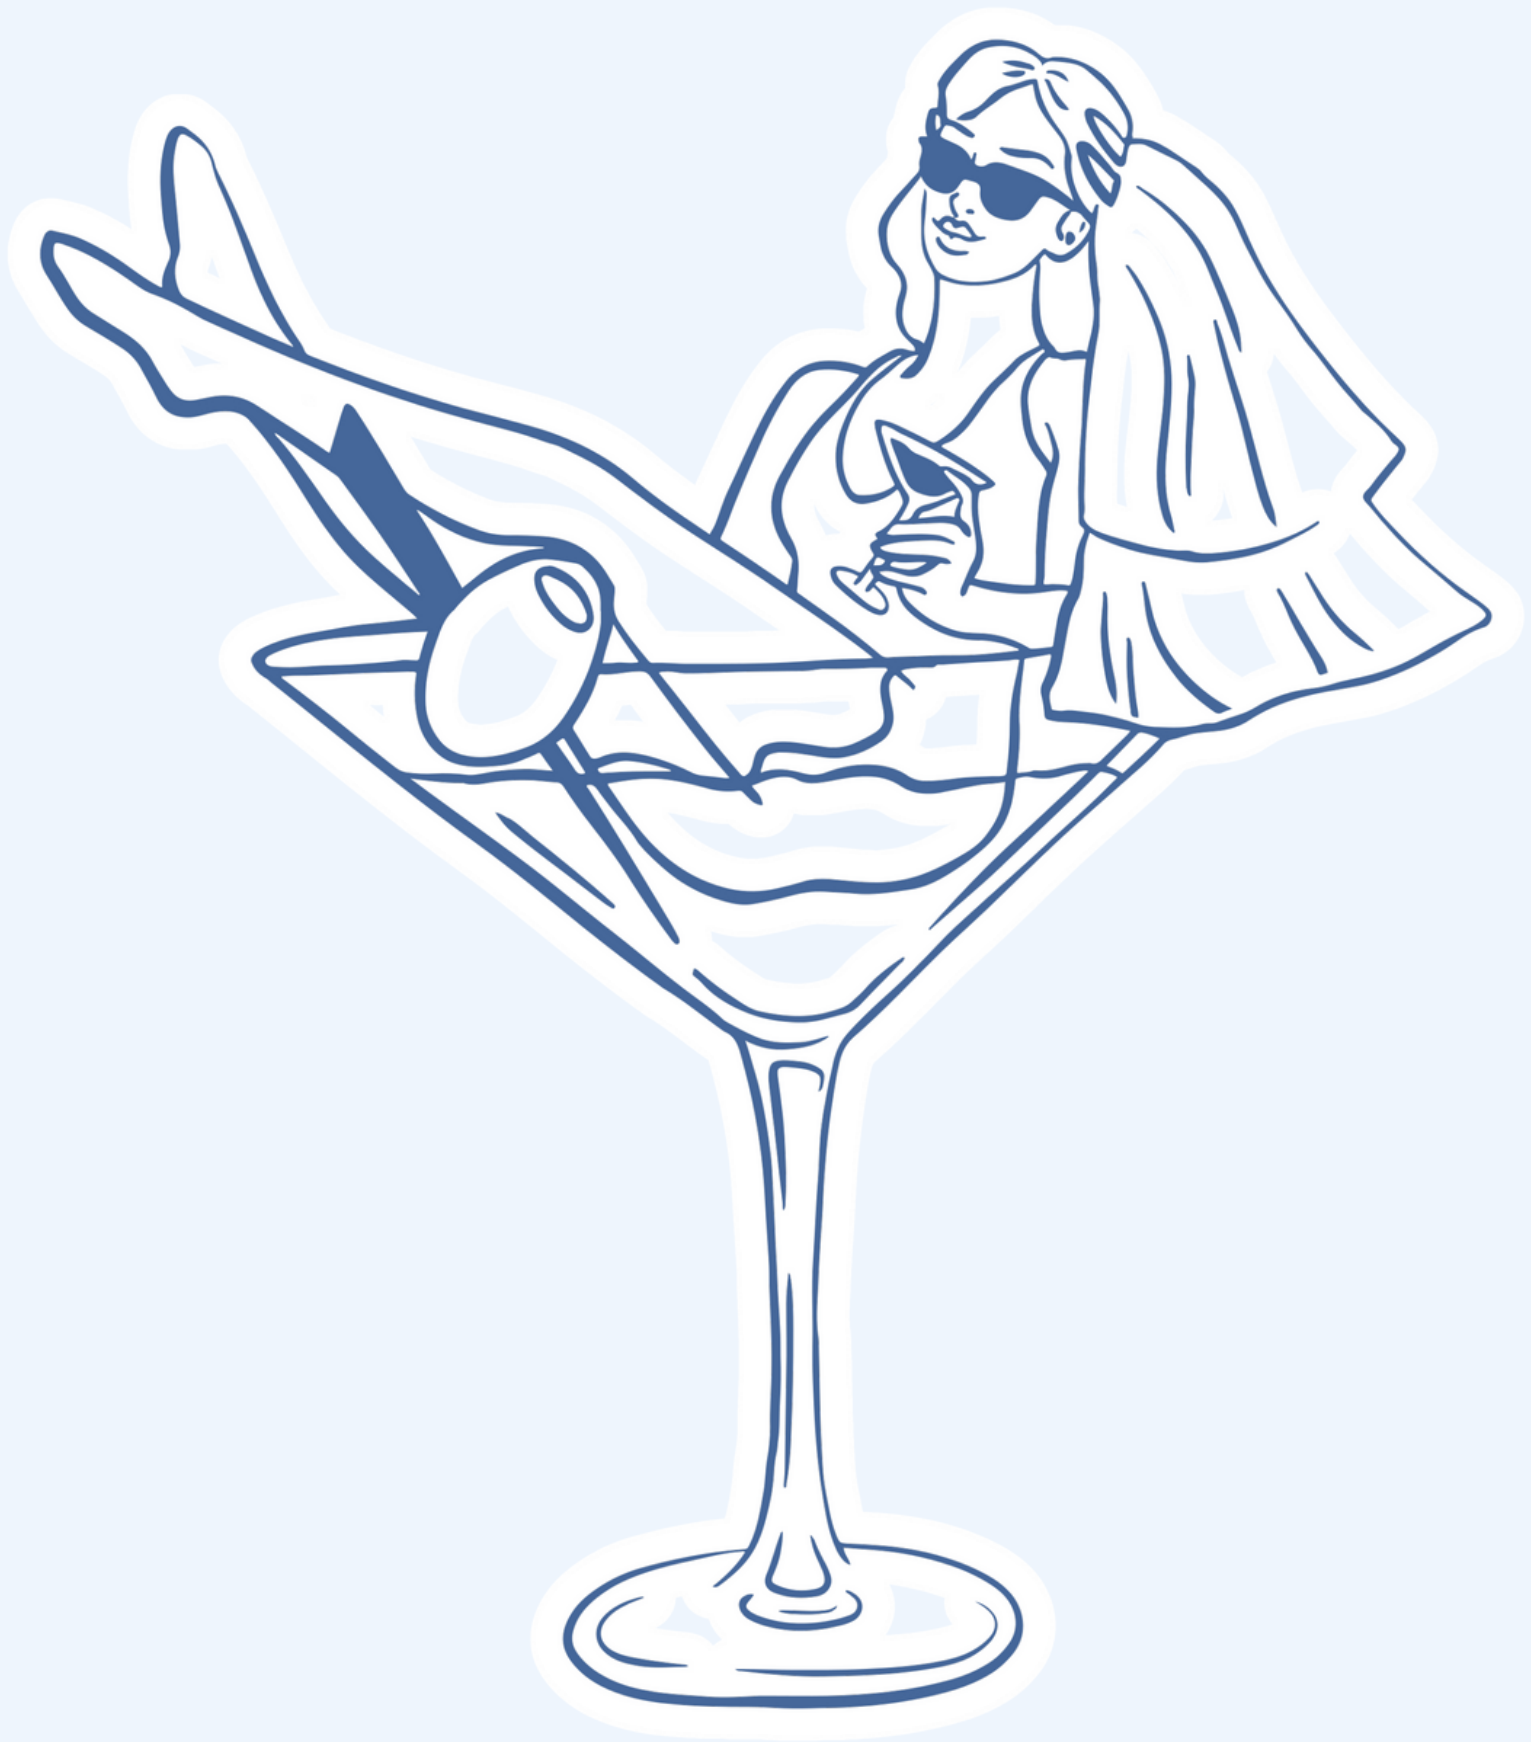

The text "BRIDE TO Be" is rendered in a white, stylized font against a solid blue background. "BRIDE" is in a bold, slightly slanted serif font. "TO" is enclosed within a white circle, and "Be" is in a cursive script. The composition is decorated with white stars, hearts, and dots. A heart is positioned above the letter 'i' in "BRIDE". There are four stars: one above the 'B', one above the 'i', one to the right of "BRIDE", and one below "TO". There are also four dots: one to the left of "BRIDE", one to the right of "BRIDE", one below "TO", and one to the right of "Be". Two sets of radiating lines, resembling sunbursts or fireworks, are located on the left and right sides of the "TO Be" circle.
